

FREE Parenting Workshops — Winter 2020

All families have strengths and all families have challenges.

All Dufferin Parent Support Network (DPSN) workshops are free of charge and open to men, women and couples. **Registration is required.** For more information, or to register for a workshop, contact us at info@dpsn.ca or 519-940-8678. www.dpsn.ca

A note about inclement weather...

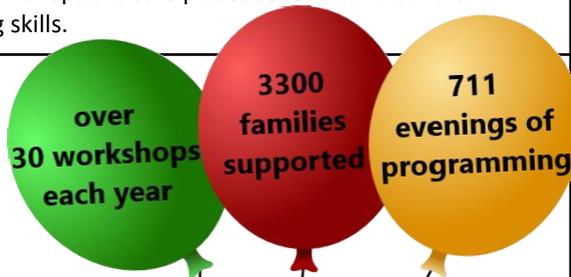

The safety of workshop participants and facilitators is important to us. Evening workshops will be cancelled if schools are closed. DPSN will contact registered participants and will post cancellations on our website (www.dpsn.ca) and on our outgoing voice mail message.

Parenting is full of questions.

*How can I get my kids to listen to me?
My children fight all the time. How should I respond?
Should I praise or should I encourage my children?
I found out my teenager has been drinking. What do I do?
My child seems angry a lot. How can I help?*

We can help you find the answers.

Our workshops are safe places to learn and build on existing skills.

Help us provide workshops for another 20 years.

Your gift
—in any amount—
is priceless.

Can you support us with \$20 for 20 years of support?

Monday Evenings

Positive Parenting After Separation

February 10 (1 part), 6:30–9:30 PM
Georgian College, 22 Centennial Road, Rm 105, Orangeville
Are you worried about the effects of separation on your children? Whether you are newly separated or considering separation, this workshop can help. Learn to understand your feelings, your children's needs, and how to develop a business-like relationship with the other parent. This workshop provides detailed information about the legal process, parent agreements, and community resources. We will also discuss safety, boundary setting, and conflict resolution. You will not be asked to talk about your individual situation because the program is intended to provide general information.

Attitude Adjustment: Understanding Challenging Behaviour

February 24 AND March 2 (2 parts), 7:00–9:00 PM
Parkinson Centennial Public School, 120 Lawrence Avenue
Children don't do things just to push our buttons. We'll take a look at the goals of both positive and negative behaviour to reveal the hidden messages and reasons behind our children's actions. We'll also take a look at the role personality and temperament play. When we understand why children behave the way they do, our responses can lead to solutions.

Positive Communication to End Power Struggles and Encourage Cooperation

March 30 (1 part), 7:00–9:00 PM
Princess Margaret Public School, 51 Wellington Street
Ever wish your children would just listen to you and do what you ask? Learn strategies to get them to cooperate—even when they don't want to. Break the power struggle cycle and really engage with your children through positive communication techniques.

Wednesday Evenings

Surviving Thriving in the Tween/Teen Years

March 4 (1 evening), 7:00–9:00 PM
Princess Elizabeth Public School, 51 Elizabeth Street
Many parents dread the teen years and worry that they will no longer be an influence in their children's lives. It doesn't have to be like that. Learn tips and effective parenting skills. Develop good communication, conflict-resolution and problem-solving skills to ensure a stronger bond with your child and smooth the journey through these rocky years.

Thursday Evenings

Siblings Without Rivalry

February 27 (1 part), 7:00–9:00 PM
Princess Margaret Public School, 51 Wellington Street
Dealing with sibling rivalry can be challenging and stressful for parents. This workshop can help you reduce the friction between your children and support strong sibling relationships. You'll learn what to do about fighting, new ways to think about "fairness," and how to help your kids resolve conflicts on their own.
